

A hand-drawn scroll with a decorative border. The scroll is unrolled, showing a central blank space. At the top center, the word "Информация" is written in a stylized, serif font. At the bottom left, the word "Умение" is written in the same font, followed by a horizontal dotted line extending across the width of the scroll. The scroll's edges are irregular and jagged, suggesting aged paper. The top and bottom edges are rolled up, with hatching lines indicating the texture of the paper.
